

EUREKA CITY COUNCIL
Public Meeting

The Eureka City Council will hear public input on the Marina Center Final EIR on October 20, 2009, at 6:00 p.m., or as soon thereafter as the matter can be heard, in the Council Chamber, Second Floor, Eureka City Hall, 531 "K" Street, Eureka, California.

The applicant for the Marina Center project proposes the phased redevelopment of the Balloon Track 43 acre brownfield site. Phase 1 would include interim remediation of the brownfield and development of a wetland reserve. In subsequent phases, the Marina Center project would include a mixed use development containing commercial, light industrial and residential uses.

The Final EIR contains two volumes - Volume 1 is the Final EIR, Volume 2 is the Technical Appendices. An electronic copy of both volumes is available at all Humboldt County libraries and including Humboldt State University and College of the Redwoods libraries. A hard copy of Volume 1 can be viewed at the Community Development Department front counter.

If you would like to purchase an electronic and/or a hard copy of either or both volumes please contact the Community Development Department by emailing your request to planning@ci.eureka.ca.gov or by calling 707-441-4160

Cost
